Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Angels of Divine Light, Aidan Storey, Growing up in the suburbs of Dublin, Aidan Storey was the youngest of seven, a much-loved, happy child who enjoyed family life and all the usual rough-and-tumble games he played with friends in his garden. The only difference was, when the friends left and the garden was quiet, Aidan was visited by Angels. Unafraid of the beautiful, luminous spirits who watched over him, it wasn't until much later that Aidan realized not everyone could see what he could see - and not everyone shared what was to prove to be an exceptional gift for healing. In this extraordinary autobiography, Aidan vividly recalls how the presence of angels sustained him through years of great turmoil - years when his happy, carefree world turned into one of misery and torment. As he recalls the sexual and mental abuse he suffered at the hands of two teachers in his Christian Brothers primary school, and the desperate, dark days of depression and isolation which followed, he tells of how the Angels helped him to claw his way back to life and, through the power of angelic healing, taught him how to bring light and love into his life and the lives of many others. Profoundly moving - and with a range of questions about issues such as death, relationships, the state of the planet, and many more, all answered by the Angels - this is an inspiring story of hope and forgiveness, and a testament to the healing power of Angels that will stay with you for ever.
