*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

When the ruling council asks him to investigate the presence of a traitor who may be leaking the secrets of the Terreni, he responds without hesitation. During the investigation, evidence points to an Elite plot; the undead organization has been trying to steal the secrets of Eoc s blood to establish chaos over order, on a global scale. When Korber s wife is murdered and his best friend disappears, he finds himself hearing the voice of his wife guiding him through the investigation. After facing sadistic Elven wizards and an Elite Dwarven rune-master, he must battle the high priestess of the Elite and chose loyalty to the Terreni or self preservation and freedom.
