## NIETZSCHE GOD AND JEWS: HIS CRITIQUE OF JUDEO-CHRISTIANITY IN RELATION TO THE NAZI MYTH

State University of New York Press. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Combining biography and a careful analysis of Nietzsches writings from 1844-1900, this book explores Nietzsches critique of Christianity, Judaism, and antisemitism. The first part of the book is concerned with psychological aspects and biographical elements. Part Two focuses on the ethical and political aspects of Nietzsches views as presented in his mature writings: Thus Spoke Zarathustra, Toward the Genealogy of Morals, and the Antichrist. The chronological approach enlightens Nietzsches developing views toward Jews. The so far neglected subject of Jewish-Christian relations in nineteenth-century Germany in reference to Nietzsches thought is illuminated and interestingly discussed. The topic is vital for Nietzsche studies and central for understanding the intellectual, political, and historical categories that pre-existed in Germany in the nineteenth century. -- Jacob Golomb, The Hebrew University of Jerusalem The existential-vital appropriation of Nietzsches work is an interesting and a refreshing alternative to many contemporary analyses of Nietzsche. The book traces some of the roots of twentieth-century German philosophical connections with Nazism and responses to Judaism, a topic of much recent interest, especially in relation to Heidegger s philosophy and politics. With the boom in Nietzsche scholarship over the past decade or so, this book is a most welcome addition to the field. -- James P. Cadello, Regis University This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
