*Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Glen Ernser)*

## THE RULE OF LAW (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2011. Paperback. Book Condition: New. Reprint. 196 x 132 mm. Language: English . Brand New Book. The Rule of Law is a phrase much used but little examined. The idea of the rule of law as the foundation of modern states and civilisations has recently become even more talismanic than that of democracy, but what does it actually consist of? In this brilliant short book, Britain's former senior law lord, and one of the world's most acute legal minds, examines what the idea actually means. He makes clear that the rule of law is not an arid legal doctrine but is the foundation of a fair and just society, is a guarantee of responsible government, is an important contribution to economic growth and offers the best means yet devised for securing peace and co-operation. He briefly examines the historical origins of the rule, and then advances eight conditions which capture its essence as understood in western democracies today. He also discusses the strains imposed on the rule of law by the threat and experience of international terrorism. The book will be influential in many different fields and should become a key text for anyone interested in politics, society and the state of our world.
