### ***Reviews***

*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Annette Boyle)*

## ELOHIM ANCIENT SCIENCE FICTION OR BIBLICAL GOD

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 164 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Have you ever wondered who first penned the bible and where its familiar stories originated? Some say much of it was written by Moses a thousand years before that. Others believe it to be a collection of tales told generation after generation around the campfires of nomads. Recently, scholars have uncovered another explanation---one that defies belief! The first intelligent life on earth may have arrived here from another world, according to the translators of some recently discovered 5,000 year-old texts. This fantastic notion was first documented by an individual claiming to be one of those original explorers who traveled to earth, genetically crafted the first humans, and guided the development of civilization. According to his own words, the author of a very ancient story was (in a very practical sense) our heavenly father. His influence can be found in every major religion on earth today. An editorial review by Peter M. Fitzpatrick, *The US Review of Books*: I have sought to find additional truths underlying biblical texts by researching historical and archeological data. Sumerian literature, lately rediscovered through archeological relics over 5,000 years old, is composed of cuneiform letters that are difficult to translate. As a result, widely varying interpretations of its meaning have fueled controversial theories, the most famous perhaps being those of Zechariah Sitchin. His ideas about ancient astronauts from a planet beyond Neptune that mine gold on Earth by genetically engineering *Homo erectus* with their own DNA to produce *Homo Sapiens*, are echoed here. Kerry frames his narrative in the recollections of the Biblical Nehemiah as he is returning to Israel after the Babylonian Captivity. His memory of the Sumerian shards he was...
