William Barry, pathfinder, guide and pioneer whose Cedarvale R1lli(li, in the Big llorn mountains of Montana is visited by tourists from all parts of the country.) .0 . The Big Horn Canyon, winding through a wild and p cturesque valley. in (arbon county, Montana. between the Pryor and Big liorn mountains. is the greatest chasm in the United States, with the single exception of lhe Grand (an v on of Arizona. It is a gorge about one hundred miles in length, and throughout this distance the-vertical crags measure from four hundred to two thou sand feet deep--a narrow, tortuous pass, where the Big Horn river, in its four-hundred-mile journey from the Wind river range in voming to the Yellowstone river in Montana, has eaten its way to these great depths through a solid limestone formation. In...
