Brand New Book ***** Print on Demand *****.Excerpt from Proportional Representation: Including Its Relations to the Initiative and Referendum W. D. Stead in the Review of Reviews says, Demos will regard his millionaires as the cottager regards his bees. But his as others Demos is as much a myth as Bacchus or Saturn. DeTocqueville has written a book of over 500 pages on Democracy in America, when the thing did not then, and does not now exist in America. It is of the first importance to the consideration of any of the fundamental political questions now taken up by thinking persons to ascertain what is and is not representation; how far, if at all, voters really make the laws, and how far they might do in practice what they are said to do in theory. This lies at the foundation of all intelligent effort to improve industrial and moral conditions by political processes. It is the keystone, the keynote and the key to all such reforms. I therefore propose to consider the subject in the light of facts and reason, negatively, positively and relatively;...
