Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DAVID: LEAVES FROM THE JOURNAL OF A SOUL (PAPERBACK)

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 249 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.GOD, GIVE ME THE STRENGTH TO WRITE. IT IS POWERFUL. IT IS TRUE. SOMEONE, SOMEWHERE, WILL LISTEN. I am the voice of one crying in the wilderness. I followed a path that always seemed clear, but that in reality was unseen. The path led me here, and now I must stray. Remain until my judgment. My body can travel on, and I can still laugh, but I cannot clear the dust from my feet. I may regret, but cannot repay in this life. If I still live, someday I will try. All that I now can do is write, write in agony for all who travel this way. They will not heed, but at least they will know where they are when they reach these flat lands. You see, there are no more hills to hide behind. I have flattened them all. Danny is dead - who is speaking? Danny's spirit. The mind must die before the spirit can live. About a boy, written by himself and seen in the writing. So wrote eighteen-year-old David Schwimmer in the waning months of his life. And all during his seventeen years David also brilliantly recorded - in his journals, poems, and stories - his agonizing struggles with his soul over his psychological and sexual dilemmas. Through his journals, we also see David strive to become a writer, a long distance runner, an outdoorsman and a friend. We are with him as he begins to experience his sexuality and we watch his spirituality flower beside it. We observe him wrestling with personal relationships in high school and college, see his efforts to question and direct his body, mind, and spirit, carefully...
