

Home Networking For Dummies (4th Revised edition)

By Kathy Ivens

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Home Networking For Dummies (4th Revised edition), Kathy Ivens, Having a network in your home increases work efficiency and minimizes confusion. If you want to set up a network in your home but you're not quite sure where to start, then Home Networking for Dummies makes it easy for you to become your household's network administrator. Now fully updated with information on the newest technology in networking available, this quick and to-the-point walkthrough will show you how to install Web connections in your entire home, whether by wires, cables, or WiFi. This resourceful guide illustrates: * Planning and installing your network * The differences between Ethernet cable, phone lines, and wireless technology * Configuring computer sharing * Setting up and managing users * Installing, managing, and troubleshooting the network printer * Understanding UNC format, mapping drives, and traveling on the network * Working with remote files * Securing your network from viruses, spyware, and other baddies Along with the basics, this book introduces fun ways to use your network, including sharing music, keeping shopping lists, creating photo albums, setting up a family budget, and instant messaging. It also provides...
