### ***Reviews***

*Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## TALES FROM THE WILD

Unicorn Books, New Delhi, India. Softcover. Book Condition: New. Tales from the Wild is a collection of fascinating short stories for the growing children. The prime focus is on the thrills, delights, life cycles and conservation of the wild. Nature facts are vividly blended in the tales of quest, mystery, adventure and mythology. The book lucidly presents a rich and engrossing account of fauna; and readers, once through the tales, make a feel of bond between the animals and Nature. What is more significant in this book is: the tales are sometimes humorous, sometimes eerie, sometimes serious, but always profound. Printed Pages: 191.
