During a drama rehearsal, she attempts to rescue a kitten and puppy, but a ghost sends her back to 1943. She and another student, Cliff Thomas, must solve the mystery of why the school burned back in the 40s, or they won t be able to return to 2013. The action heats up with murder, a subversive group, and, apparently, more than one ghost. To add to the difficulties, both Cliff and Ophelia have to assume the identities of a grandparent, and try to remember not to reveal their real identities. Getting the last piece of evidence without ending up dead becomes a problem and they must use all their ingenuity, and without any of the modern conveniences of 2013.
