

## The Multichannel Challenge

---

By Hugh Wilson

Butterworth-Heinemann. Paperback. Book Condition: New. Paperback. 240 pages. While innovation in products and services continues apace, today's competitive strategy is equally based on innovation in the route to market. Tesco.com, Direct Line, First Direct and easyJet are just a few examples of innovative channel strategies as a key component of the value proposition. We find ourselves in a multi-channel world. This book is drawn from the experience of major companies such as IBM, First Direct, Taylor Woodrow and BT. Lessons are explained clearly: be Multi not multiple; channels as weapons; think combinations; design from the top, but think people and measure it. The key concepts are backed by carefully tested practical advice from making organisational change to understanding channel metrics. Based on work from Cranfield's world leading Customer Management Forum, this is the essential practical guide for senior management in key areas like marketing, sales, customer services and strategy. . Shows how, with the internet and call centre alongside existing resellers, and with sales forces channel management and integration a critical activity, you can employ channel management to maximise the success of your channel strategy. Based on IBM's worldwide experience and the huge research reach of Cranfield this practical...

### Reviews

*Good electronic book and valuable one. It is one of the most incredible publications we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

**-- Mrs. Bridgette Rau MD**

*This publication is wonderful. It is amongst the most remarkable pdf I have got read. It's been written in an exceptionally basic way and it is merely after I finished reading through this pdf in which I really transformed me, altered the way I really believe.*
