

The Magic House (Paperback)

Filesize: 2.16 MB

Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

(Prof. Jean Dare)

THE MAGIC HOUSE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE MAGIC HOUSE is a brilliant book with some of the most descriptive, courageous, passionate, intelligent, eloquent depictions of eroticism and human sexuality found in a novel. This book blows pornography and EL James out of the water. It makes Lawrence, Miller, Nin, and Mailer look tame. It is hot, a turn on of both the mind and the body. To try to classify it is difficult because terms like romantic, erotic, bdsm, do not do justice to it. Just as there are complex, multi-faceted people who don't fit into categories without being diminished, so this book does not easily fit into a category or genre. Is it a mystery? Yes, who is Vincent and why does he kidnap Johnny Alberi to his townhouse in Manhattan? Is it a thriller? Yes, when a protagonist is a murderer it can be called a thriller. Is it a romance? Yes, Johnny is in a triangle with the two women he loves. Is it literary, if by the term we mean high level literature? Yes, if references to Dante, Catullus, Whitman, Blake, Yeats, Malcolm X and others indicate literary aspirations. Is it pulp fiction? Does it pull in popular interest in the Jersey Shore and the mafia? Yes and yes. Who is this Johnny Alberi anyway, who some call an anti-hero? He is an aging Italian American poet, spent, desperate, broke, entirely on the edge, who only manages to get out of bed in the morning because of his sexual urges. He lives in a small apartment filled with dreams, memories, poems, music, art, in a one percent resort town near Asbury Park. He decides the only way out of...
