# Intuitive Interpreting: A Spanish Medical Dictionary Mastered for the Professional Interpreter (Paperback)

Filesize: 8.73 MB

Reviews

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).
(Eulalia Langosh)

INTUITIVE INTERPRETING: A SPANISH MEDICAL DICTIONARY MASTERED FOR THE PROFESSIONAL INTERPRETER (PAPERBACK)

Ethnic Ethos Books, United States, 2015. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A medical dictionary reengineered for quick reference of highly technical terms! The only interpreter s dictionary that leverages Spanish fluency and language intuition with a functional approach that excludes the bulk of familiar lexicon and adds technical terms found only in voluminous dictionaries. Intuitive Interpreting is a specialized technical medical resource - not an interpreter training guide or manual for health care providers multitasking as interpreters. The abridged format excludes cognate forms of words such as infection-infeccion, and common terms such as cough or hot. Instead it is abridged to include only a shortlist of terms such as whooping cough - tos ferina and hot flashes - sofocos, and even highly technical terminology not found in modern medical dictionaries. This highly functional format is targeted to the experienced interpreter in need of only technically specific and esoteric lexicon. Designed to be incomplete, the dictionary section is limited to the 1,000 words an experienced interpreter needs. Included are glossaries by medical specialty, and guides to false cognates and the specifics of interpreter protocol. Sections on Greek and Latin based prefixes, and cognate stems, complete this niche resource. Intuitive Interpreting is the only dictionary that is practical on-the-job, where digital applications may be blocked, and complete medical dictionaries are too cumbersome. This is the only terminology resource a professional medical interpreter needs to work effectively in EnglishSpanish. Attach it to your clipboard and handle obscure medical terminology discreetly and efficiently. Authored by a nationally certified medical interpreter, for practicing interpreters.
