Atlantic Publishers & Distributors (P) Ltd., 2013. Softcover. Book Condition: New. The book has been designed for students appearing in UGC-NET/SLET in the subject of Sociology. It would also be useful for candidates preparing for competitive exams like IAS, IPS, IFS, PCS, etc. The book is very comprehensive and covers almost all possible objective type questions for these exams. The questions set in UGC-NET/SLET and various other competitive examinations in the previous years have also been used for preparing this book. In spite of our best efforts to cover all possible questions, the paper may contain some questions which are not covered in this book and can be answered only if the candidate has a thorough knowledge of the topics covered in the syllabus. For a thorough and elaborate knowledge of the subject, candidates are advised to read the following books published by Atlantic Publishers and Distributors (P) Ltd., viz.
