## NANOTECHNOLOGY: A CRASH COURSE (PAPERBACK)

SPIE Press, United States, 2010. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. The past few decades have seen an explosive increase in our ability to create nanostructures and nanosystems with a great degree of control, using a diversity of techniques. This ability has been accompanied by a similar enhancement in our ability to characterize structures and systems at the nanoscale. This book provides a broad overview of those nanostructures and nanosystems (together termed...
