By Dr Michael Adewale Adeniyi

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Effective Leadership Management is about theory and practice of integrating styles, skills and character of today s chief executive officers. It is about what a leader or a manager does to bring about staff efficiency and effectiveness. A leader or a manager is effective when he or she brings about the desired results for the organization by using different approaches to the development of personal and interpersonal effectiveness of the staff by daily decision making, staffing, planning, forecasting, nurturing, coaching, directing, organizing, marketing, encouraging and controlling quality. Effective Leadership Management emphasizes leadership as the intersection of character, knowledge, skill and desire. Management supervises tasks but leadership deals with people who supervise tasks. In other words, management is doing things right, while leadership is doing the right things. Effective Leadership Management styles are achievable by using mixtures of different styles as situation arises. Each leader has to choose style(s) that suits his or her personality and that best represents the values of the organization. In all, a leader has to be transparent with all daily dealings, communicates effectively, be...
