By Elizabeth R. Lawrence

Lulu.com, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Swimming with Sharks is an allegorical title to tell a story in which characters and events symbolize the deeper, underlying meaning. This is not a fish tale. It is an adult story about sales and those who practice it today much like the drummer man of old. Among them is a satyr defined as a grossly lustful man. In Greek and Roman mythology it is a man in human form but having a goat s ears, tail and legs. The dolphin reflects playfulness, innocence and love.

Very good e-book and valuable one. It can be writter in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).
