MUSIC FROM THE TRENCHES: EVERYTHING YOU NEED TO KNOW TO ENSURE A RICH MUSICAL LIFE FOR YOUR CHILDREN (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When music educator Mary Jane Wilkie first stepped into the classroom, she thought she was amply prepared. She had been a high-school Spanish teacher, a master s degree in musicology, and a twenty-year career in various areas of business. But now, she faced middle-school students who were incredulous at her expectation that they would sing with their own voices. And while her younger children were eager to participate, they didn t seem to have previous experience with the most basic traditional songs or singing games. Music from the Trenches is both a memoir of Wilkie s teaching experiences and a reflection on today s musical culture. Through poignant stories about her students and her struggles to teach them, she educates parents on the learning process so they can make better decisions for their child s music education. In this book, parents will learn how to: distinguish good from mediocre music; assess the capabilities of a school music program; understand the performance experience; evaluate the use of technology; establish a music-rich home that will prepare children for life in its richest sense; and have confidence in the power of good music. Rediscover the timeless joys of making music and experience the remarkable benefits that result from this creative, full-body activity.
