

Child Sense: From Birth to Age 5, How to Use the 5 Senses to Make Sleeping, Eating, Dressing, and Other Everyday Activities Easier While Strengthening Your Bond with Your Child (Hardback)

By Priscilla J Dunstan

Random House USA Inc, United States, 2009. Hardback. Book Condition: New. 211 x 147 mm. Language: English . Brand New Book. Your infant is crying and you don t know why. Your toddler refuses every kind of food-except one. Your preschooler wages war with you each morning over what to wear. Every day, parents struggle unsuccessfully to understand why their children act the way they do. Now child development expert Priscilla J. Dunstan breaks down those barriers to understanding with this revolutionary and accessible guide that teaches a new way of parenting-custom-designed for each child s personality. The product of eight years of groundbreaking research, this book will help you understand how your child interacts with the world. Dunstan begins from the premise that every child has his or her own dominant sensory interface with the world. Some children are highly sensitive to touch, others to sound or to sight. And some are unusually sensitive to all outside stimuli, especially taste and smell. This sensitivity affects how your child behaves, learns, and communicates from the very first days of life. Uncovering your child s dominant sense-and knowing what your own dominant sense is-is essential for finding common ground and creating...
