

Crime and Justice in the City as Seen Through the Wire (Hardback)

Filesize: 8.09 MB

Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Carolina Academic Press, United States, 2013. Hardback. Book Condition: New. New ed.. 226 x 152 mm. Language: English . Brand New Book. Since the hit HBO show *The Wire* premiered on June 2, 2002, it was viewed as much more than a typical police procedural. Over its five-season run it was praised by critics for its intricate examination of crime, life in the inner city, the criminal justice system, and the functioning of public institutions and the people who work in them. However, unlike other police and crime dramas, the police in *The Wire* did not solve cases on a weekly basis. The hardships faced by millions of people struggling to survive in the inner city were not softened. Rather than portraying characters as good or bad, *The Wire* does not flinch from portraying the good and bad sides of the police, criminals, educators, judges, lawyers, elected officials, or labor unions. Indeed, it presents an unvarnished view of the complex nature of the criminal justice system and the web of institutional linkages that impact individuals and society. The show's willingness to take the time to address complex issues and institutions in non-simplistic ways, has led academics and scholars from myriad disciplines to make *The Wire* a component of their scholarship and university teaching. While this book examines the problem of urban crime and an inefficient criminal justice system from the perspective of legal and social science scholars, it presents divergent and unique examinations of these oft-studied issues. This anthology is organized into four main sections. The first begins with a socio-legal presentation of the interconnectedness of the criminal justice system, the negative impacts of urban inequality and poverty, and highlights many institutional failures as well as the impact that systematic pressures have on individuals. The second and third sections...
