He was beautiful. He was to be her one night fix. She was gorgeous. She was haunted. She was to be his temporary muse. Millicent Valentine isn't looking for much when she walks into The Brew Cycle for a night out with friends. She isn't after love. Why risk the heartache when one night of unbridled passion will do the trick? Any handsome, willing male will do just fine. When she is introduced to the lead singer of Mountains Men, she can't seem to take her eyes off of him. He's an arrogant little shit but it's only one night, right? Sage McCoy is always on the prowl, knowing he can get just about any girl in the room after a night on stage. When he's introduced to Millie, there is no doubt in his mind that he has to have her. But when he gets her alone, she makes his heart sing. Now, he's convinced one night will never do. When morning dawns, the knowledge that comes with the sun has Millicent kicking Sage to the curb but he knows what he wants and he's ready for the chase. His one night stand is worthy of an encore.
