In August, Lucky Jamiesons By the Spoonful serves chilled soups celery and green onion, cream of asparagus and salads. The shop also serves as a gathering place to talk about cold-blooded murder. A protest to stop the construction of an ugly car wash in the middle of the town's picturesque Village Green is interrupted by the discovery of a skeleton that may date back to the Revolutionary War. While the remains pose a historical mystery, a present-day murder shakes the town to its core when local auto mechanic Harry Hodges is found dead in his shop. Straining the patience of Chief of Police Nate Edgerton, Lucky soon finds herself in the soup again when her dear friend Elizabeth, the Mayor of Snowflake, goes missing. No matter how much trouble she has to stir up, Lucky is determined to use her noodle to uncover a killer and recover her friend. Recipes included! This item ships from multiple locations.
