Brand New Book ***** Print on Demand *****.Excerpt from The German Whisper Mr. Citizen, you are now on the firing line. Imperial Germany is not merely attacking on the western front. She is attacking in every community in the United States. Her assault is under the direction of the German general staff. It has been prepared as carefully as the strategy and tactics of a military drive. As in Russia and in Italy, so here also a campaign of German propaganda - a gas attack of poisonous lies and rumors and false reports - has been launched successfully and is now under way. The collapse of Russia was not a victory for German arms. It was a triumph of German propaganda. And the defeat of the Italian armies was achieved only after German agents, working with rumors, slanders, counterfeit newspapers, forged letters, and all the other weapons of German treachery, had opened an impregnable Italian position to the successful assault of an inferior German force. America is now the strongest enemy that Germany has. A weakening of our public morale is as necessary to German success as the weakening of Russia s was. And the attempt to weaken us has already developed two main lines of movement. The fust aims to destroy our unity of action with our allies by setting us against the French, the British, and the Japanese. The second proposes to destroy our domestic unity by encouraging among us every sort of class dissension, religious difference, racial prejudice, and political quarrel.
