Brand New Book ***** Print on Demand *****.Excerpt from The Heredity of Dual Purpose Cattle: A Study in Farm Economics Based on Red Polled Records From 1808 to 1915 The fact that full particulars of the formation and development of a new breed of cattle in the last century are yet available is my apology for presenting the following essay on the Heredity of Dual Purpose Cattle as illustrated by the Red Polled. In preparing the facts and figures which are set forth in the narrative, I have been fortunate in working upon a system of registration of pedigree unlike any form that existed before the year 1874. The plan was feasible from the fact that the Norfolk and Suffolk Polled Cattle were not being bred outside the borders of the two counties. Also that it was possible to glean evidence from men who had both seen and aided in the inter fusion of the old variety and the new; that had been skilfully evolved from the mixture of two types of cattle that had existed in Norfolk from the olden time. That the...
