## NATION OF BASTARDS: ESSAYS ON THE END OF MARRIAGE

BPS Books. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. Erudite and impassioned - an act of faith and of resistance to the insidious claims of the post-Christian and post-liberal state. F. C. Decoste, Professor of Law, University of Alberta A brilliant exposé of the implications of same-sex marriage - and a compelling analysis of what it will take for society to reclaim the birthright of freedom it has lost in a reckless social experiment. To some, same-sex marriage is evidence that society has finally come of age. To others, it is yesterday's issue, posing no danger to traditional marriage. To still others - McGill University's Douglas Farrow among them - it has turned civil society on its ear, creating a new political situation in which several things are no longer clear: . Is the state the property of the citizenry Or are citizens, with their cherished personal associations, including marriage, now the property of the state . Who owns the children, now that natural parenthood had been replaced by legal parenthood . Is the family still the natural and fundamental group unit of society, as the Universal Declaration of Human Rights claims Or is the concept of the natural moribund . What is marriage for, anyway Douglas Farrow is associate professor of Christian Thought at McGill University in Montreal. He is the editor of *Recognizing Religion in a Secular Society* and co-editor, with Daniel Cere, of *Divorcing Marriage*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
