Praise for The Gravity Between Us The Gravity Between Us is a fantastic read--humorous, romantic and daring. Kristens writing style is engaging and honest. In Payton and Kendall, shes succeeded in creating characters whom you care about instantly. And her portrayal of their relationship is beautifully rendered. I loved the Hollywood angle, the question of how one learns to deal with other peoples reactions to same sex relationships and the idea of the zany game that is celebrity. For me, The Gravity Between Us is a must-read new adult novel! I cant wait to read Kristen Zimmers next book! 5...
