It is very important each journey is directed with the guidance of allowing H.I.M. to lead you to the proper places to serve. This is confirmation that seals the communication of making sure that when the word for direction is heard, there is a listening ear to receive. As the time is taken out to meditate and hear H.I.M, then he will prepare you for mission works. The commitments, gifts, and talents are very important to God.The plan is to have something to tell somebody about the someone that has done some awesome things in the lives of his people. And finally, the meditation will allow unlimited value to obtain a resolution, after receiving a revelation, and then being open to allow the revolution of blessings to explode in your life from the promises in his Word.
