Cost Control Systems, LLC, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This how-to book explains for the first time what is required to bring maintenance to be a full player in a firm s business success. Eleven business disciplines must be engaged to realize the long-standing vision for maintenance to become part of business success. By comparison, the well known maintenance and reliability best practices span five of the eleven. The six missing disciplines span strategic planning, finance and accounting, budgeting, variance reporting and forecasting, audit and control, and ERP-type technologies. The book explains the principles of each and how to apply them to changing the firm s income statement, balance sheet, statement of cash flow and returns.
